Inte-Grates Size Guide

Prior to purchasing, remove your old register and measure the length and width of your vent opening. Vent sizing may be inconsistent, so ensure you are receiving the right size using our online measuring quiz or the sizing chart below.

EXAMPLE: If your vent length is 9.85" and the width is 4.10" then you would choose the 4" x 10" register.

FINDING THE RIGHT SIZE

Unsure of what size register to buy? Our two-question measurement quiz will help you find the sizes you need to fully Inte-Grate your home!

[MEASURING QUIZ](#)

Sizing Chart

VENT LENGTH	VENT WIDTH	REGISTER SIZES
11.80" - 12.25"	2.30" - 2.50"	2" x 12"
9.80" - 10.25"	2.85" - 3.25"	3" x 10"
9.80" - 10.25"	3.85" - 4.25"	4" x 10"
11.80" - 12.25"	3.85" - 4.25"	4" x 12"
13.80" - 14.25"	3.85" - 4.25"	4" x 14"

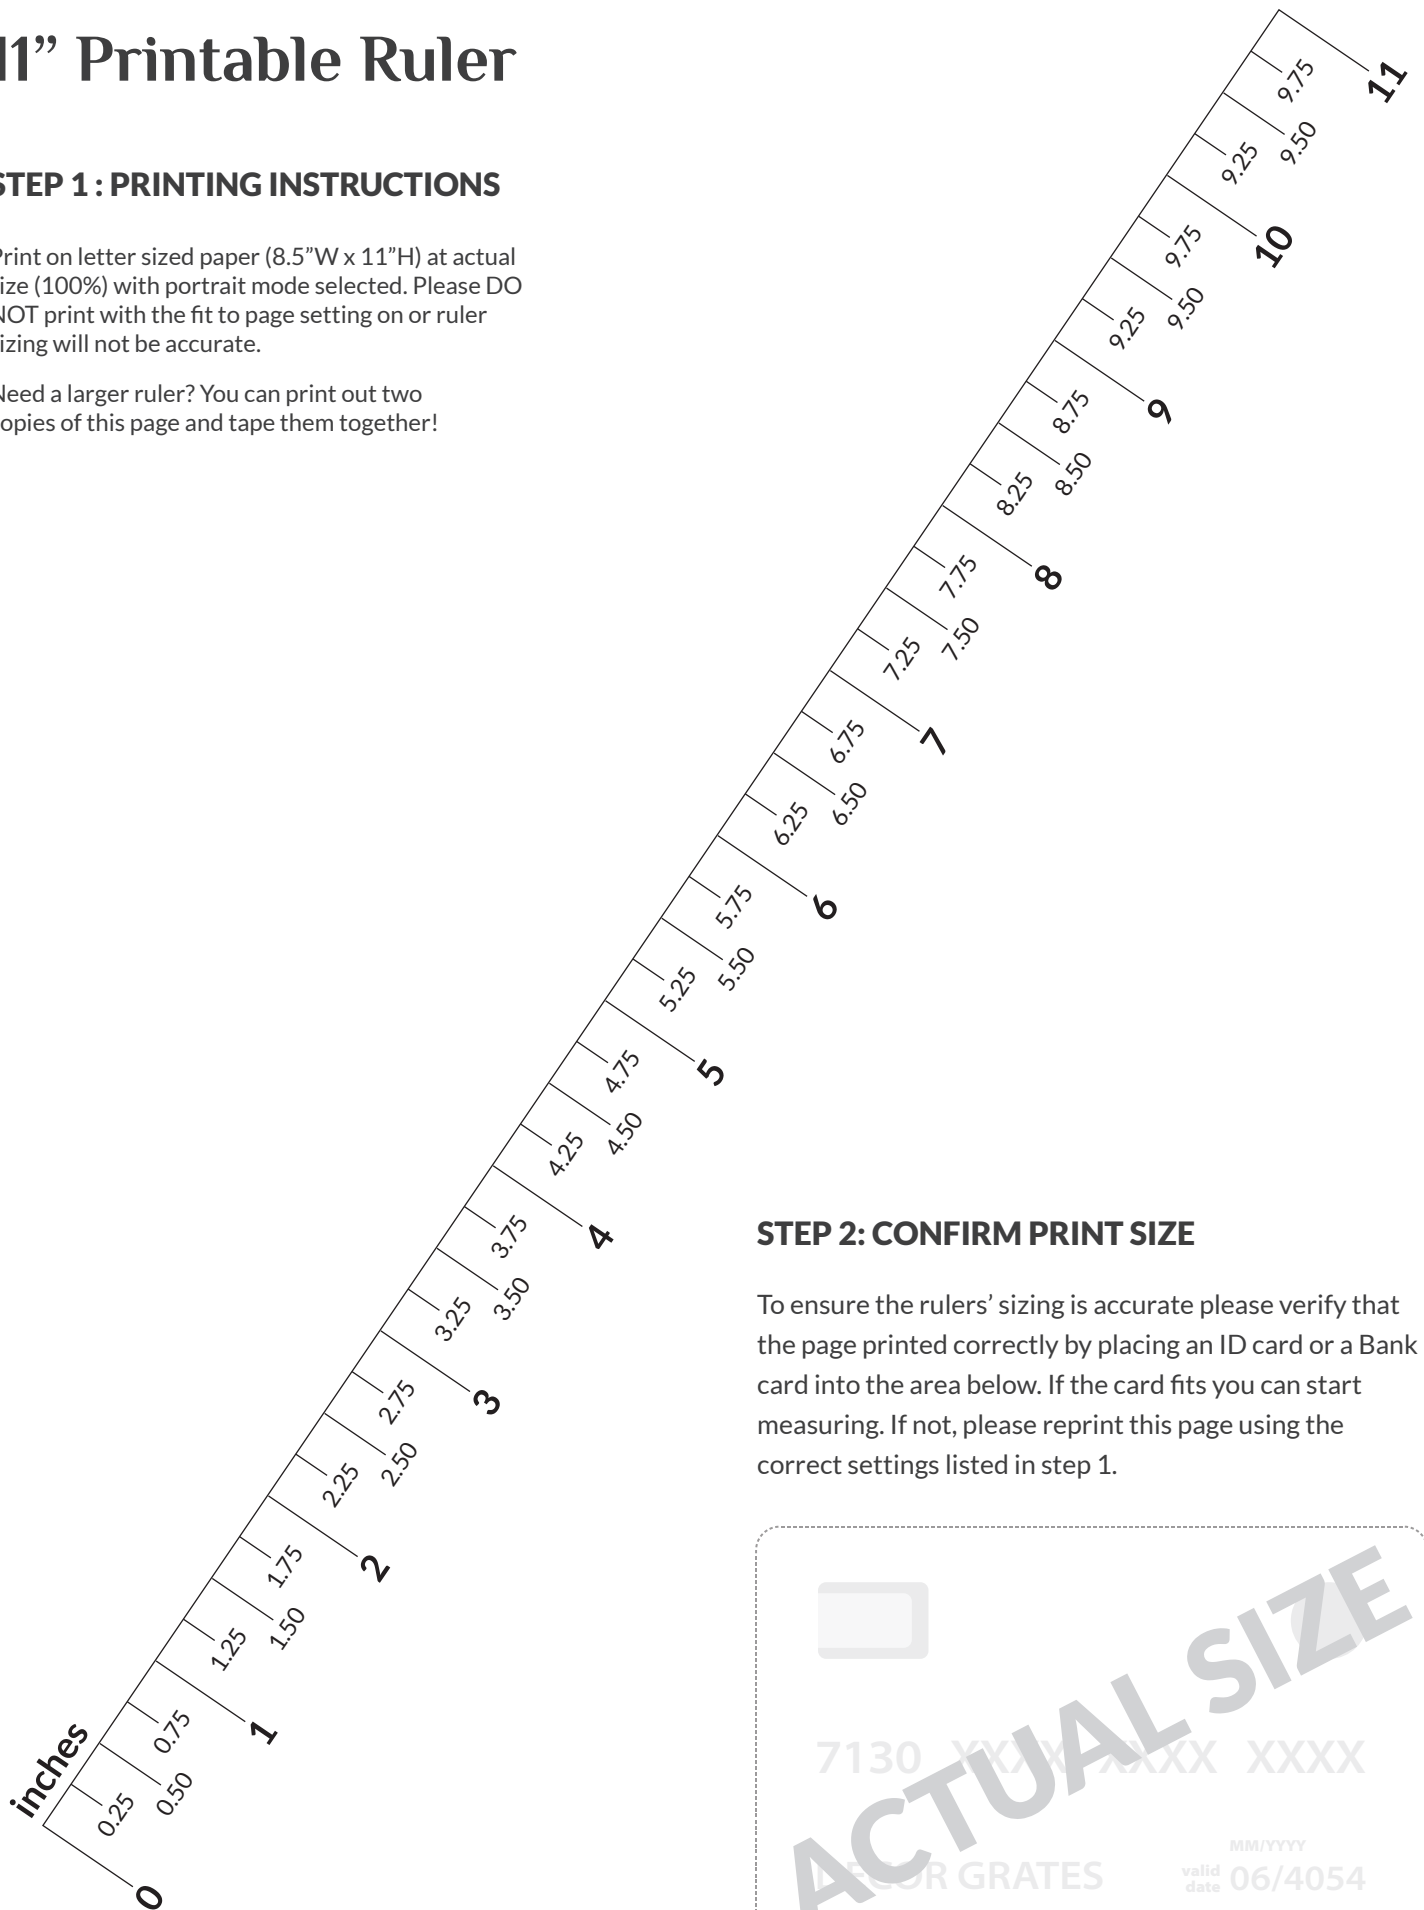

11" Printable Ruler

STEP 1 : PRINTING INSTRUCTIONS

Print on letter sized paper (8.5"W x 11"H) at actual size (100%) with portrait mode selected. Please DO NOT print with the fit to page setting on or ruler sizing will not be accurate.

Need a larger ruler? You can print out two copies of this page and tape them together!

STEP 2: CONFIRM PRINT SIZE

To ensure the rulers' sizing is accurate please verify that the page printed correctly by placing an ID card or a Bank card into the area below. If the card fits you can start measuring. If not, please reprint this page using the correct settings listed in step 1.

Installing Your Register

To install your new Inte-Grates register, simply grab the face of your old register and lift it out of the vent. Remove your new register from the package and place it in the opening. If you are installing the Pro Install register, secure it in place with the screws provided. Due to varying vent sizes, gapping may occur around damper box.

DROP-IN REGISTER

To install your new Drop-In register from Inte-Grates, simply remove your old register from the vent and place the new register in it's place. For steps on how to create a custom insert, see page five.

PRO INSTALL REGISTER

To ensure that you are getting the most out of your Pro Install register by Inte-Grates, it is recommended that the Pro Install register be installed at the same time as the floor installation to guarantee that the register is completely flush to the height of the floor.

To install your new Pro Install register from Inte-Grates, simply remove your old register from the vent and put the Pro Install register in it's place. Next fully secure your new register using the screws provided. For steps on how to create your custom insert, please see page five.

Creating A Custom Insert

To get the most out of your new Inte-Grates register, you will need some of your homes' matching flooring as the insert is not included in purchase. To create your insert cut your extra home flooring using the template provided with purchase. If your flooring is less than 0.75" thick, use a block of wood or similar material to backfill the center tray to ensure that the insert is flush to the top of the center tray, then secure your newly cut floor insert on top.

Use & Care Guide

Inte-Grates' mission is to continue manufacturing at the highest quality standards in order to create beautiful and durable floor registers for all of North America. It is strongly advised that taking proper care and performing regular maintenance on your registers will help to prolong the life of your new Inte-Grates products.

The Inte-Grates Floor Registers are 100% plastic and can be used in any area of your home, from your kitchen, washroom or bedroom these registers can be easily mopped or wiped clean with any mild household cleaner. Please ensure that your cleaner does not contain any acidic or bleaching agents as that could potentially damage your register.

Limited 12-Month Warranty

All of the products sold at Inte-Grates are guaranteed for a limited twelve (12) month warranty against defects in materials and workmanship. Below is the full text of our company-wide warranty.

For more information about our warranty please check out our website.

WHAT OUR WARRANTY DOES NOT COVER:

- Changes in the look of unlacquered brass and oil-rubbed bronze finishes
- Damage to finishes caused by improper cleaning, maintenance, or exposure to weather or other corrosive elements
- Incidental or consequential damages. Some states or provinces do not allow the exclusion or limitation of incidental or consequential damages, so this limitation may not apply to you.
- Cost of removal and re-installation

If you have a product that falls within the warranty terms outlined above, please contact us. We will discuss the nature of the problem with you and determine the best

course of action. If we ask you to return the product to us for inspection via registered mail, we will contact you within ten (10) working days of receiving the product with an evaluation of your claim, and intended remedies.

WHAT OUR WARRANTY COVERS:

Inte-Grates limited twelve (12) month warranty covers defects in materials and workmanship in selected products that are sold to Inte-Grates customers. Inte-Grates will repair or replace, at its option, the defective products.

HOW DOES THE LAW APPLY?

This warranty gives you specific legal rights, and you may also have other rights that vary from state to state or province to province.
